NOTICE TO PARENTS/GUARDIANS: **

The Long Beach Unified School District, in cooperation with the California Departments of Health Services and Education, has a program to allow the District to be reimbursed with federal Medicaid dollars for selected health services provided for eligible special education students. We would like to inform you that in order to participate in this program, eligible student records may be forwarded to the District's billing agency. These records will be forwarded in a confidential manner. Our vendor holds a contract with the District that contains a specific confidentiality clause to ensure information is not disclosed inappropriately; further, our vendor is HIPAA compliant (Federal Health Insurance Portability & Accountability Act).

School health services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will never be billed for services by the school district.
