Long Beach Unified School District  
 Student/Athlete Travel Release Form

Dear Parents,

LBUSD's transportation budget continues to be cut. This has necessitated some changes in the way we do business in order to meet our budget. Many other districts have resorted to a sizeable "Transportation Fee" to accommodate their sports/extracurricular programs. LBUSD would like to avoid resorting to this type of financial burden to the parents, but we need your assistance in the form of the travel acknowledgement listed below. Although each sport/activity will be evaluated case by case, generally our policy is: When a team travels to a local school to play, bus transportation will be provided only to the location. It is the responsibility of the parents to arrange for their child to be picked up at the designated location. Our coaches/supervisors will communicate the dates, times and specific locations where the students are to be picked up. Students who are not picked up on time, regardless of the reason, may be excluded from future competitions/events. If providing transportation home from these events at the designated time is a problem, then we encourage you not to allow your child to participate in away games/activities. Budget cuts are difficult on everyone, but we all must do our part. We appreciate your support in this matter.

I, \_\_\_\_\_, the parent/guardian of \_\_\_\_\_ will allow my child to  
 (print name) (print name)  
 make the following arrangements for athletic travel to and/or from athletic events and/or activities during the  
 20\_\_\_\_ - 20\_\_\_\_ school year.

I acknowledge and understand that the adult/student driver is not providing transportation on behalf of, or as an agent of, or at the direction of, the Long Beach Unified School District or \_\_\_\_\_ H.S. Further, I understand that neither the district nor the school has verified health or fitness or driving record of the student/adult driver, compliance with licensing requirements or financial responsibility laws of the state, or the mechanical condition of the vehicle.

I fully understand that the district nor the school is in any way responsible, nor does the district or the school assume liability for any injuries or losses resulting from this non-district and non-school sponsored transportation. Although the Long Beach Unified School District or its employees may suggest travel time, routes, or car pooling to or from this event, I fully understand that such suggestions are not mandatory.

For and in consideration of permitting \_\_\_\_\_ to travel to and/or from Long Beach Unified School District/\_\_\_\_\_ High School athletic events and/or activities, the Undersigned hereby shall hold harmless, indemnify, voluntarily release, discharge, waive and relinquish any and all claims, actions or causes of action of any nature whatsoever, including but not limited to, personal injury, property damage or wrongful death, however caused, occurred, arose, resulted from, or in connection with said travel.
